Vedika Bihani IPS

In my years at Xavier's, I discovered my passion for humanities-related subjects. Inspired by a desire for a career that was both unconventional and purposeful, I took a leap of faith, driven by an adventurous spirit, to dream of a career in civil services. My dedication paid off when I was selected as an IPS officer in 2023, & Xavier's was a huge part of that success.

The three years that I spent at St. Xavier's College Jaipur were quite formative for me as I was able to do my masters at London School of Economics, worked in venture capital, then macroeconomics, and now corporate strategy. Ananjeet Singh Naruka International Shooter

My time at Xavier's gave me an understanding that it's not the before or after that matters, but the action, the moment itself.
