NOTICE

Workshop On

Application of SPSS in Business for Effective Decision-Making

This is to inform all MBA Students that the Institution-Industry Cell of Xavier Institute of Management & Informatics is organizing a workshop on “**Application of SPSS in Business for Management Students**” from **29th November 2024 to 4th December 2024** with the aim to equip students with skills to conduct detailed data analysis and interpretation for business decision-making. It shall focus on enabling students to apply SPSS techniques to real-world business scenarios and understand statistical outcomes.

This workshop is mandatory for all MBA students to attend (weightage of attendance 30 marks) as it shall cover the hands-on practical learning aspects of the Data Analytics lab (MBA Sem I) and software component of the functional lab (MBA Sem III).

Details of which are given below:
